Is this castle haunted?

Castles and their ghosts, white ladies, and knights! Using a setting of a haunted castle the project aimed to allow all participants to develop new skills in technology, ICT, and Europe's history and cultural heritage.

The project was a collaborative work made between partners from Poland, France, Ukraine, Spain, Italy and Greece who met on using a collaborative web space.

The project lasted from then end of November 2013 until the end of December 2014.

“ We strongly believe that it is worth to visit and document all castles and palaces that are still standing today and collect stories connected with them - we have to preserve them for next generations.
