

ETWINNING AGENDA

OCTOBER 2021

Online Seminars are live communication sessions where you have a chance to learn, talk and discuss with your peers. The topics covered by Online Seminars are related to pedagogy and eTwinning aspects in general. They are led by an expert, and are run in a widely-spoken European language.

Learning Events are short intensive online events on a number of themes. The themes are related to pedagogical aspects in particular. They are led by an expert, and include active work and discussion among teachers. Learning Events include asynchronous and sometimes synchronous activities, and are run in a widely-spoken European language. You can receive certification for participating in this event.

08.10.2021, 17:00 - 18:30 CEST

CODEWEEK4ALL

Experts: Tommaso Dalla Vecchia (EUN), Eugenia Casariego (EUN)

It's CODEWEEK time! The Coding@Schools and the STEM eTwinning Featured Groups partner again to deliver a webinar on CODEWEEK, a grassroots initiative which aims to bring coding and digital literacy to everybody in a fun and engaging way.

12.10.2021 - 26.10.2021

Learning Event (Short Online Course) 2021: Engaging Educators to Use Online Tools: Historiana and Creating E-Learning Activities

Experts: James A. Diskant, Ph.D., and Gijs vans Gaans, M.A.

Teachers and museum educators will learn how to create and share e-Learning activities on Historiana. These activities are online tools that have been developed to allow students to improve their historical thinking skills in a variety of ways.

13.10.2021 - 15.10.2021

Online Professional Development Workshop for eTwinning Ambassadors 2021: Communicating in a digital era

PARTICIPATION IS POSSIBLE ONLY UPON INVITATION FROM YOUR NATIONAL SUPPORT ORGANISATION. PLEASE CONTACT THEM FOR FURTHER INFO. PLEASE NOTE THAT THIS EVENT IS ONLY ADDRESSED TO eTWINNING AMBASSADORS.

People produce and consume diverse information daily through various communication channels. Even though information is considered a valuable resource for converting it into knowledge, several challenges may arise. Critical digital literacy may support individuals in a preventive approach by developing critical skills and digital skills ensuring that they will avoid any potential pitfalls.

19.10.2021, 17:00 - 18:30 CEST

eTwinning Weeks 2021: Webinar with the House of European History - How to teach Media Literacy to your classroom

Expert: Laurence Bragard

The House of European History's third temporary exhibition, Fake (F) or Real: a History of forgery and falsification, places the concept of "Fake" as a common thread throughout history. This workshop will provide you with ready-to-use exercises in order to successfully teach Media Literacy to students aged 12 to 18. This session aims to raise awareness about how facts, techniques and emotions may be blended to influence our worldviews, in the past and present.

19.10.2021, 21.10.2021, 17:00 - 18:30 CEST

eTwinning Weeks 2021: Stories that Move webinar for Unesco Global Media and Information Week

Experts: Karen Polak, International Coordinator of Stories that Move and Femke de Koning, both trainers at the Anne Frank House

How do the media tackle prejudice? Or do they actually spread prejudice? This Stories that Move webinar in media literacy week presents young people's thoughts on the subject. Stories that Move trainers will introduce the online tool and you will see the toolbox in action with exercises from learning path 4, Mastering the Media.

28.10.2021 - 30.10.2021

eTwinning Annual Conference 2021

PARTICIPATION IS POSSIBLE ONLY UPON INVITATION FROM YOUR NATIONAL SUPPORT ORGANISATION

The 2021 annual eTwinning conference focuses on two issues: Media literacy, on one side, and how to tackle the phenomenon of Disinformation and fake news, on the other. During the conference, through the work of experts and eTwinning teachers, participants will learn and share good practice in media literacy education and look at ways in which teachers have effectively prepared their student to take a critical look at news and social media and combat disinformation.

ETWINNING FEATURED GROUPS UPDATES

OCTOBER 2021

eTwinning Groups are private platforms for eTwinners to discuss and work together on a specific theme. The aim is to share practice examples, discuss teaching and learning methodologies and find support for professional development.

STEM GROUP

The **STEM Group** will be celebrating its 10.000 members with several activities throughout the year.

CONFERENCE - The Inclusion in STEAM Class Teacher conference took place on 25 September: [Teachers' Conference, online, 25 September 2021 - insteam \(deusto.es\)](https://www.insteam.deusto.es)

WORKSHOP - The Europeana Built with Bits workshop takes place on 30 September and **1 October**:
<https://www.eventbrite.co.uk/e/built-with-bits-kick-off-workshop-tickets-168263186721>

ENTREPRENEURSHIP GROUP

Entrepreneurship education is about enabling young people to develop the skills they need for life and work. People need the mindset, skills, and knowledge to generate creative ideas, and the entrepreneurial initiative to turn those ideas into action. That is the reason why we will pay more attention to the EntreComp and entrepreneurship competencies.

From October we are going to have webinars every month and focus on 15 competencies of Entrepreneurship.

The first webinar is on **21 October**, at **18.00 CEST**.
