

YOUR JOURNEY THROUGH EDUCATION IN EUROPE

Discover how to enrich your career in education through two European initiatives!

School Education Gateway

Europe's online platform on policy and practice in school education for anyone working in the sector
www.schooleducationgateway.eu

Get informed about education policies through news articles and expert contributions

Make your opinion count by taking part in surveys

Join the teachers' community and network with colleagues in eTwinning Live

ENGAGE IN EUROPEAN PROJECTS

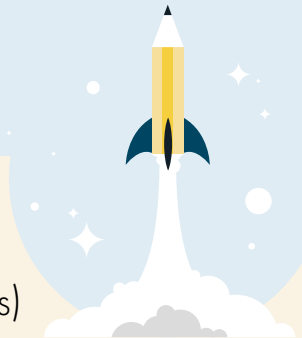

- **Get inspired** by other EU-funded projects
- **Use the strategic partnership search** to find Erasmus+ partners
- **Benefit from Erasmus+ guidance**, including an online course on Erasmus+ funding

- ★ **Be inspired** by practical guides for eTwinning projects
- ★ **Find eTwinning partners** in the forums
- ★ Create **projects with your class** and **collaborate** in your **projects' TwinSpace**
- ★ **Get guidance** from the ambassador network and national support services

GROW IN YOUR PROFESSION

- Join **Teacher Academy webinars** and **online courses** for free
- Explore the catalogue of **on-site courses** and **mobility opportunities**
- Discover **resources** including **publications** and **teaching materials**

- ★ Join **online seminars** and **learning events** (short and intensive online courses)
- ★ Share experiences in **moderated thematic groups**
- ★ Develop yourself at **Professional Development Workshops** and **Conferences**
- ★ Get ahead with **Self-Teaching Materials** and **self-assessment tools**
- ★ Get recognition through **Quality Labels** for projects, **eTwinning Awards**, and the **eTwinning School Label**
